PAM —

Best of luck to the  
nicest, nicest looking girl I've  
ever met. I'm sorry for the  
way I act most of the time, but  
I'm afraid I can't help it. The reason  
is that I love you too much. Thanks for  
putting up with it most of the time. I'll never  
stop loving you, and I hope you will feel the same way  
about me. Have fun when you're gone, but don't stop loving  
me, because it would hurt me very much. It's hard to understand.  
You wait for me, but if you don't, I will understand.  
I could never like anybody half as much as I do you.  
I could love you, so even if you do stop loving  
me, please don't ever forget me.  
all my love,  
Jan

 Stewart Pelton

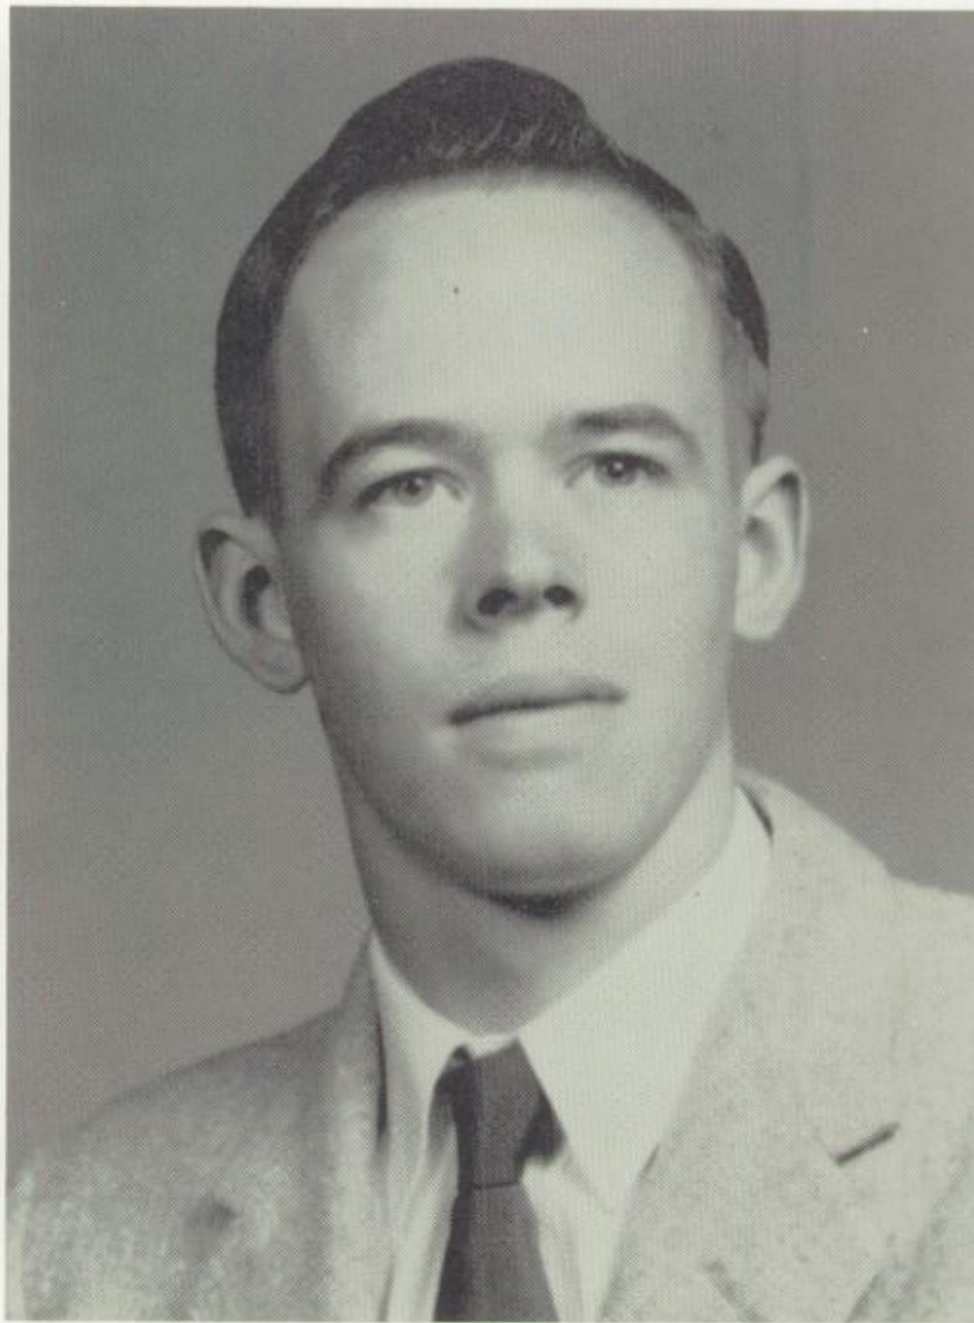

Romeo Battisti

We, the Class of 1959, are happy to dedicate  
 this edition of the Purple and Gold to Mr. Romeo  
 Battisti and Mr. Stewart Pelton. We thank Mr. Bat-  
 tisti for his help, understanding and guidance through  
 our high school years, and we thank Mr. Pelton for  
 contributing so much to the memories of our Senior  
 year.

## IN MEMORIAM

(STANLEY BURKDORF)

Class of 1955

Almost one year ago today  
Our brother and son was called away;  
Sometimes it's hard to understand  
Just how our lives He has clearly planned  
'Cause castles visioned by a certain man  
(With faith to accomplish whate'er he can)  
May not be built-nay, never seen -  
And still we say, "It might have been."  
Now though our hearts are full and sad  
Fond memories paint the joys we've had.  
We are resigned - his soul found rest  
Because a loving God knew best.

## IN MEMORIAM

(RICHARD AUSTIN)  
Class of 1957

There's an open gate at the end  
of the road  
Through which each must go alone  
And there in a light we cannot see  
Our Father claims His own;  
Beyond the gate our loved one  
Finds happiness and rest  
And there is comfort in the thought  
That a loving God knows best.

## CLASS HISTORY

'Twas a bright and sunny day in 1946 (or was it raining?) when the smiling faces (or were they sad?) of the "Class of 59" entered the Elementary School to start their days as students.

Before we knew it, we had completed grammar school and were starting the long walk up the steep hill to start our days as seventh graders. We found that we couldn't rule the school QUITE as much as we had in sixth grade.

As time went on, we found that we were now Freshmen with Mr. Battisti and Miss Finneran as our advisors. During our Freshman year we had food sales, P. A. dances and other activities to raise money for the "Senior Trip."

In our Sophomore year we continued having dances and food sales. We also sponsored a dance recital.

Soon, however, we realized that two years had gone by and we were now the "Mighty Juniors." We ordered our class rings in the fall. We put on two very successful spaghetti suppers from which we made more money than any other class had made previously. We did this with the help of Miss Newman who left us to go to Hawaii in August. We held a dance "Autumn Fantasy" and helped with the Junior-Senior prom "Oriental Paradise." We were proud to know that the athletes from our class made up a majority of the participants in scholastic and interscholastic sports.

In September, 1958, we entered school feeling prouder than ever before, because we realized now that we were at last OFFICIALLY "rulers of the school." We found that we had a new advisor, Mr. Pelton, who successfully helped us through our Senior year. To our disappointment, however, the long-awaited Senior trip was cancelled. We now had to find other ways to spend our hard earned money.

As the year drew to a close, we had that ever famous "Class Night," Baccalaureate, and finally the big moment we had been waiting for - Commencement, a fitting climax to our thirteen years of school.
